QUESTION OF THE WEEK

Suggested text for faith sharing: Today's Gospel

Adults – What are some ways you can think of to show gratitude to God? Make them concrete and real.

Youth – Only one of the lepers returned to give thanks. This past week, when have you stopped to thank someone for something good they have done for you? When have you thanked God this week?

Children – Make up a prayer which tells God you are thankful for everything you have, even if it's not all you want.

HELPING HANDS

PRAYER: On his way to Jerusalem, God of all healing, on his way to die, your Son made ten lepers clean. To us sinners, cleansed and forgiven, give a spirit of constant praise and thanksgiving. Let faith be our salvation and service of others our gift of thanks, as we follow your Son toward the cross and new life. We ask this through our Lord Jesus Christ, your Son, who lives and reigns

with you in the unity of the Holy Spirit, God for ever and ever. Amen.

WHOLE COMMUNITY CATECHESIS

THE EUCHARIST

Our Parish Family Retreat this year has a theme on the Eucharist and the real meaning of Christ's presence in the Eucharist. In June of this year, on the Feast of Corpus Christi, the United States Bishops gave us a plan to focus on the Real Presence of Christ. This concept has been a problem for some Catholics to accept or believe.

The Eucharist is the source and summit of the Christian life. The word Eucharist is a Greek word meaning thanksgiving. In the celebration of the Mass, the bread and wine become the Body and Blood of Christ. Through the power of the Holy Spirit, the whole Christ is truly present — Body, Blood, Soul and Divinity — under the appearance of bread and wine. Where in the Bible do we find the Eucharist explained? In Mathew 26:26-30, Mark 14: 22-26, Luke 22: 14-20 and John 6:22-59.

Some ways of becoming a Eucharistic person are: (1.) become grateful for Christ's presence in your life; (2.) give your time to a period of silence each day to reflect on Christ's presence in your life; (3.) love yourself and others; (4.) find joy in your life with Christ; (5.) be a friend to other people in your life and share with them what Christ means to you; (6.) keep your faith in your daily life, especially in dealing with all people; (7.) don't be afraid to share what you believe.

In your prayer life, reflect or journal on:

- How is Jesus a source of nourishment for you?
- How does celebrating the Eucharist help you recognize more clearly Jesus' presence?
- How are you called to be the body and blood of Christ to those around you?

Faith Formation Process

**We believe that the Church is a valuable, meaningful place for young people.
We need young people... and they need the Church.**

But young people are not responding. Fewer than 20% of young adults post-confirmation remain in the Church. The way that we have connected as Church over the last several years has not resonated with them.

The faith formation process outlined below consists of proven strategies from local and national ministry efforts. They have been successful in helping young people grow to lifelong disciples of Christ, integrated into the Catholic Church. In this approach, Confirmation is not graduation from faith formation. It is one step in the context of our lifelong journey with Christ in his body, the Church.

What will my child experience?

6-8th grade: Edge.

"Edge is a Catholic middle school youth ministry program. It provides a safe fun place for youth to find solid Catholic community, to get answers to their questions about faith, and, most importantly, to experience Jesus in a profound and personal way." In a three-year cycle, Edge addresses all sections of the Catechism of the Catholic Church in a way that fosters integration into the life and experience of middle school youth. You can learn more at <https://lifeteen.com/edge-ministry/>.

9th Grade: Confirmation

Young people prepare directly for the sacrament of Confirmation, engage in facilitated sessions that follow a format similar to Edge sessions, and address topics particular to Confirmation preparation. In the spring of their 9th grade year, students become a part of a small group, celebrate the sacrament of Confirmation, and begin living out their life as a confirmed Catholic.

10th Grade: Small Groups

Young people continue their faith journey in small groups of 5-8 students and 2 adult mentors. Their small groups are a place where young people form strong friendship, ask authentic questions about their faith, play together and pray together.

11th Grade: Spiritual Mentors

Young people participate in a season of spiritual mentorship through monthly meetings that include group prayer, the opportunity for adoration and confession, and individual meetings with mentors who help them relate to God in an increasingly personal way and see God's action in their daily lives.

12th Grade: Made for Mission

Events and opportunities for 12 graders focus on developing leadership skills, helping them use their talents to give back, and fostering a sense of belonging in their parish family. Topical nights are offered at least quarterly and can address topics like discerning a major and remaining faithful after high school.

We know that faith is something that is caught more than it is taught. Parents are invited to ongoing formation nights designed to provide a community of other faith-filled parents who are equipped to accompany their children in their middle school and high school journeys. Parent ministry sessions focus on the way that faith intersects and informs our response to the real challenges and joys of our children in middle and high school.

Who is able to participate?

Faith Formation students:

Fulfill faith formation requirements by participating in this formation process

Catholic School students:

Are invited to experience a form of instruction, connection, and discipleship that is different than what is available in a school setting

It takes a village

Faithful adult volunteers are the heart of a faith formation process that teaches discipleship by walking with young people. The Faith Formation team is supporting parish-level leaders and their volunteers to implement the entire process over the next five to six years. You can learn more by talking to the faith formation leader at your parish and visiting our website.

Journeying with Young People Like Jesus

In case you haven't heard, our students are entering into a five-year plan initiated throughout the Diocese of Erie called

The Edge Program

Parent Component

Two main reasons that these sessions were developed:

1. To provide adults (parents, sponsors, grandparents) with a community that supports one another in faith-filled parenting
2. To foster continued growth as Catholic adults with topics focused on middle-schoolers or parenting of middle schoolers.

There are eight very helpful "Parent Components" which complement the "Edge Program". These will be presented once a month for the next eight months.

Sessions are about one hour long and will be held after the 11:00 Mass at St. Hippolyte Church. We will provide light luncheons and are working on baby-sitting services for children, so that ALL parents can attend.

You may choose to attend some or all of the topics on the dates provided.
